December 1, 2025

Dear [BENEFICIARY FULL NAME],

We are writing to inform you that St. Luke's Health Partners ACO will no longer be participating in the ACO REACH Model, effective December 31, 2025. You are receiving this notice because your doctor at St. Luke's Clinic is currently a participating provider of St. Luke's Health Partners ACO. This decision comes after careful consideration and evaluation of our organization's direction and commitment to providing the highest quality care to our patients, including you.

#### **What This Means for Your Care**

Until the effective date of termination, there will be no change in the way you receive your health care services under the ACO REACH Model. You will continue to enjoy all the benefits and support you may have received, including enhanced benefits such as care management services.

All other Medicare rights and benefits will remain unchanged through this transition. You can continue to see any health care provider, practice, or hospital that accepts Medicare, which includes your providers at St. Luke's Clinic. Your choice of health care providers is always up to you.

#### **Need More Information?**

We understand that you may have questions or concerns regarding this notification. Please contact Medicare.gov or call 1-800-MEDICARE (1-800-633-4227) for more information about your Medicare options and rights. TTY users can call 1-877-486-2048.

Sincerely,

St. Luke's Health Partners ACO
